United States versus Phillip A. Kenner  
Docket number 13 Cr 00607 (JFB)

Dear Judge Bianco,

My name is Richard Fiske and I was appointed as a paralegal by the Court to assist Mr. Kenner who is now representing himself pro se.

Mr. Kenner represented to me that on July 3, 2018 the Court Ordered that he is authorized to have access to a 1 terabyte hard drive in order to assist his pro se representation. It was understood that the hard drive would have to be purchased and then brought into the Metropolitan Correctional Center (MDC) in Brooklyn, NY where Mr. Kenner is detained.

In order to accomplish this I would need documentation of this Order from Your Honor. On Wednesday August 22, 2018 I spoke with a representative from your staff and was advised to fax my request to the Court. Thank you for your consideration.

Respectfully,

*Richard Fiske*
